

Low Rider

Exodus

All my friends
Own a low rider
Low rider
Is a little higher

Low rider
Drives a little slower
Low rider
Is a real goer

Low rider
Knows every street, yeah
Low rider
Is the one to meet, yeah

Low rider
Don't use no gas now
Low rider
Don't drive too fast

Take a little trip
Take a little trip
Take a little trip and see

Take a little trip
Take a little trip
Take a little trip with me
