Piranha

Slicing jaws a way of life Brought up to waste mankind Loki's pets his little children Deadly every time

Trapped in swamps by gates of hell

Don't ever: let them out For if you do and they escape You'll fight a bloody bout

Piranha kill in a pack - you'll run Piranha start to attack - you'll done If you think you can beat - deadly school If you think you can live - you're a fool

Gates of hell are old and cracked They tumble and they fall Out rush a bloody wall of death To kill anything at all Their sole mission is t0 kill Strip your bones and flesh Rip out your eyes tear off your face An agonizing death

Piranha kill in a pack - you'll run Piranha start to attack - you're done If you think you can beat - deadly school If you think you can live - you're a fool **Exodus**
