

Time tested, who could have guessed it? It was a waste of all I've invested memories, don't mean shit to me they've all been watered down where the fuck are you now? In my frustration, I'm losing patience I ended up back here again a quick fix, over and out left a bad taste in my mouth let my guard down, I let you in I'm giving up never again took grip, I bit my lip took another swing it didn't work out, it never works out I'm done trying
