Exploited

No future no future  
No future at all  
No money no job  
You've got fuck all

Chaos is my life  
Chaos is my life  
Chaos is my life

Another fucking restart  
Is waiting for you  
The future is fucked  
More chaos for you

Chaos is my life  
Chaos is my life

Don't let the bastards  
Get to you  
The future is chaos  
And chaos is you
