

## Dangerous Visions

Exploited

I thought I heard a woman crying Did she say her child was dying  
Thought I heard a building tumbling Was it a dream or dangerous  
visions I was sure I saw a bomb sometime falling Then I woke  
up I was calling Sure I saw a rescue mission Was it a dream or  
a final warning

PEOPLE LIVING, PEOPLE WALKING PEOPLE DYING, PEOPLE CRAWLING  
PEOPLE LAUGHING, PEOPLE TALKING PEOPLE CRYING, PEOPLE SCREAMING (2

One day the rivers stopped flowing Then one day the grass stopped  
growing All is night there is no warning Now you may laugh  
and you may sneer Can't come true can't happen here Close your  
eyes pretend you're blind But what will you do when the end is  
near I wondered why the girl was crying Then I saw her parents  
dying Then I saw a rescue mission Was it a dream or a dangerous  
vision Did I see a bomb sometime falling Or did I hear the woman  
crying All is darkness there was no warning Was it a dream  
or a dangerous vision Was it a dream of dangerous vision
