Exploited

Its comin through your letter box
A sheet for you to fill in
You know you have to do it
Cause you know you just cant win
Dont pay the poll tax
Stick it up her arse

You better watch out the governments at large
You dont fill it in f50 fine
So you better send it back in time
Dont pay the poll tax
Stick it up her arse
Fill in the sheet with all your fax
They screw you with their poll tax
Take from the poor give to the rich
Dosent that just make you sick
Dont pay the poll tax
