

Down Below

Exploited

My ears are filled with a deafening roar A howling wind and the
temperature soars The houses crack the city falls A deadly dust
brings death to all

IN THE SHELTERS DOWN BELOW THEY COULDN'T CARE LESS THEY DON'T WANT
TO KNOW IN THE SHELTERS DOWN BELOW THEY COULDN'T CARE LESS
THEY DON'T WANT TO KNOW

Adults and children wander through the streets They scream with
pain with blistered feet You're all going to die a horrible death
A living death that will eat your flesh As your eyes melt they
drink champagne While your body burns they feel no pain You
're all going to die for a government cause But why should we die
for the chosen few
