body's right for you
don't you bargain
some special rate
standard pressure
shut you flys
furry thing is under your coat

Germs go go go you

have a suck just while I go body pressure playing some jailbraker gas again funny seems i got no legs

Germs go go go you

get us a rope
tell you now
i won't say two so don't do that
never half it muck about
the child knows about her own teddy bear

Germs go go go you Germs go go go you Germs go go go you

billy i don't know how you worked it out hey you how did you work it out

Germs go go go you ...
