

Holiday in the Sun

Exploited

Put into camps
And left to rot and die
Put into camps
No real reason why

I don't want a holiday
I don't want a holiday
I don't want a holiday
In the sun

A camp full of horror
Tales to unfold
The rapping of women
The young and the old

I don't want a holiday
I don't want a holiday
I don't want a holiday
In the sun

I don't want a holiday in the sun (3x)

Put into camps
And left to rot and die
Put into camps
No real reason why

I don't want a holiday
I don't want a holiday
I don't want a holiday
In the sun
