## **Police Informer**

Don't tell him where you've been And don't tell him who you've seen You'll end up locked away Cos he'll call the cops Tell them what he seen Police informer Police informer Police informer You'll end up dead Don't tell him what you've got And don't talk about your mates Cos he'll grass them up as well Got to fix him before its too late Police informer Police informer Police informer You'll end up dead

Exploited
