

## Police Shit

Exploited

Police lie on oath  
It happens all the time  
15 years for the guildford four  
Innocent people sent them off to jail  
You could be next

Can't trust the police at all  
Can't trust the police at all

Police shit

Walking down the high street  
With a friend of mine  
Got stopped by the police  
They asked us where we're from  
I wouldn't tell him  
Told him to go and get stuffed  
He radioed for backup  
Then they locked us up

Can't trust the police at all  
Can't trust the police at all

Police shit
