Exploited

SPG fathers destruction
SPG mothers corruption
fuck the SPG
god damn cunts
come on! the SPG

fuckin in cars
obsessed with pain
jacks in dresses
any old thing
beautiful lover runnin around
flashin people
getting 'round

The SPG

as I walk around the streets at night
and you see the people inside
runnin in bars and the back alleys
nothin but bars, and nothing peaked

SPG fathers destruction
SPG mothers corruption
the SPG

SPG jumping bones
SPG harrassing me
looking for punks in the night
if all goes well
it was to be

SPG fathers destruction
SPG mothers corruption
come on! the SPG

smashings good around that street
any o'you fuckin catch me
and i'll knock you in the face
hangin in the bars your tongue is wet
fashion in the fast lanes and what it means

SPG fathers destruction
SPG mothers corruption
fuck the SPG
