

Son of a Copper

Exploited

Son of a copper but you're a ?????
You better watch out or you're gonna end up back inside
Your dad's a cop, your dad was a screw
He wasn't as soft with the other prisoners
He's used to working with animals
And live in the zoo

I won't end up like my dad
And I won't end up being a screw

Interrogated for 14 days
I've got ????, I've got to pay
It wasn't meant, it wasn't me
And I've been framed
I didn't really kill him
It wasn't my fault
He came at me with a broken bottle
I tried to warn him I had a knife
And now he's dead

I won't end up like my dad
And I won't end up being a screw
