

## Son of a Copper

Exploited

Son of a copper but you're a ?????  
You better watch out or you're gonna end up back inside  
Your dad's a cop, your dad was a screw  
He wasn't as soft with the other prisoners  
He's used to working with animals  
And live in the zoo

I won't end up like my dad  
And I won't end up being a screw

Interrogated for 14 days  
I've got ????, I've got to pay  
It wasn't meant, it wasn't me  
And I've been framed  
I didn't really kill him  
It wasn't my fault  
He came at me with a broken bottle  
I tried to warn him I had a knife  
And now he's dead

I won't end up like my dad  
And I won't end up being a screw
