## **Violent Society**

## **Exploited**

Left, right, left, right, go get abused The evidence of violence is always news

Violent Society Violence is my life Violent Society Violence is my life

The violence is real, the violence goes on The killer vendetta, what went wrong

Violent Society Violence is my life Violent Society Violence is my life

Destruction begins every fucking day Destruction I give a violent way

Violent Society
Violence is my life
Violent Society
Violence is my life

Left, right, left, right, go get abused The evidence of violence is always news
