I hear you're taking the town again, Having a good time with all your good time friends I don't think that you think of me You're on your own now, and I'm alone and free I know that I should get on with my life But a life lived without you could never be right CHORUS: As long as the stars shine down from the heavens, Long as the rivers run to the sea, I'll never get over you getting over me I try to smile so the hurt won't show Tell ev'rybody that I was glad to see you go But the tears just won't go away (won't go away) Loneliness found me, looks like it's here to stay I know that I ought to find someone new But all I find is myself always thinking of you CHORUS Oh, no matter what I do, Each night's a lifetime to live through I can't go on like this I need your touch You're the only one I've ever loved Oh oh ah SAXOPHONE SOLO And as long as the stars shine down from the heavens, Long as the rivers run to the sea, I'll never get over you getting over me (I'll never get over you getting over) Never get over you getting over I'll never get over you getting over me
