Aperture

Extol

Will you be there when I call? Will you be there?
Will you be there when I fall? will you be there?
Will you be there? (2x)

Will you be there when the darkness has no end?
Will you be there when the light descends?
Will you be there? (2x)

Yes I'll be there when you call out my name.
Yes I'll be there – I'm your light, take my hand.
Yes I'll be there... I will be there...
