

## Enthralled

Extol

I'm enthralled by this force  
Priceless peace altering my mind  
Essence of higher life  
Infiltrates my spiritual being

Perfect state of mind (2x)

Grace divine comes to me  
Silent God moves within my heart  
Giving me certainty  
Now I am a fragrance of life

Perfect state of mind (2x)

Having knowledge of He who guides me  
I see through your empty and hollow lies  
You can never separate me from Him  
My spirit is forever in His hands

I bring forth praises  
To He who reigns  
He is my perfect  
State of mind
