

## Icon Of Guilt

Extreme Noise Terror

Bound by denial.  
Crucified by guilt.  
A sacrosanct shroud of masturbation divine.  
Down on your knees.  
Consecration perverse.  
In temptation you drown.  
In delieverance you burn.  
You beat a crown of thorns.  
In prayer your conscience burns.  
A sacrosanct shroud of masturbation divine.  
You burn, velled in a shroud devout.  
You drown, drown in a sea of guilt.
