## **Raping The Earth**

## **Extreme Noise Terror**

"Man" is superior, "Man" has the might he's under the impression he has the right to take the earth and do as he will and leave nothing but a deformed hell raping the earth and we don't seem to care soon there will be no life left here with such stupidity we are raping the earth it's been on the decline since man's birth the harmony of nature is being upturned compassion not destruction must be learned
