Big Boys Don't Cry

Whoever said that big boys don't cry You say you never shed a tear Well, listen that's a lie We're all defenseless When it comes to pain I said boys and girls alike yeah, We're all the same

It's my party
I'll cry if I want to

Big boys don't cry As if nothing seems to matter Big boys don't cry Then why do I Big boys don't cry Because nothing in this world Ever matters Big boys don't cry

Hey, I'm not ashamed To say a tear Is in my eye Because another tear Will take its place Before I die Extreme
