

The crossroads of my mind  
Take me across the fields to a place in time  
Where all I see is real  
Picked a path to go  
And take it to the end or to you know  
That fate can hide its face from you and me  
From you and me

Memories trapped inside that bring us here  
To the point in time  
Are ours for eternity  
As the years fall in line  
Hold them close and you'll feel fine  
Content as you can be  
As you can be  
As you can be

Wide is the gate  
Broad is the way  
That leads to self destruction  
Turn, for it's late  
Trapped you will stay  
Caught in life's seduction

The time is spent, now left behind  
You chose one and I chose mine  
Deflect our memories  
For you and me  
For you and me

Wide is the gate  
Broad is the way  
That leads to self destruction  
Turn, for it's late  
Trapped you will stay  
Caught in life's seduction

Wide is the gate  
Broad is the way  
That leads on to self destruction  
Turn, for it's late  
Trapped you will stay  
Caught in life's seduction
