

# Rock the Nation

Exxplorer

Can you hear me sing it  
One more time

In a place long ago  
On a land where we fight to be free  
The voices of music was scarce to the minds  
Something new, it was yet to be heard  
Distant voices across the waters  
Brought the gift from far away lands  
To soothe their minds, to soothe their souls  
The people danced and danced

Can you hear me sing  
Rock the nation  
Can you hear me saying  
One more time  
Can you hear me say it  
Can you hear me say  
One more time tonight

Time prospered and people grew  
Compositions multiplied  
The sound waves across the land  
From city to the mountainside  
All the visions of the masters  
Sent the sound through the air  
And through it all rock emerged  
And now rock lives everywhere

Can you hear me sing  
Rock the nation  
Can you hear me saying  
One more time  
Can you hear me say it  
Can you hear me say  
One more time tonight

All the people of the nation  
Gather round and hear the song  
Hear the sound, the pulse is racing  
There's something for everyone  
All around the people we know  
We can do what we want to do  
Anyplace you want to go  
We know we have the right to be free

Can you hear me sing  
Rock the nation  
Can you hear me saying  
One more time  
Can you hear me say it  
Can you hear me say it  
One more time tonight
