

# Your Kisses Kill Me

Gorme, Eydie

Your kisses kill me  
What a way to die  
Oh baby, thrill me  
Now's the time to try

Come on and crush me  
Listen to me sigh  
The more you rush me  
The more you satisfy

You changed my way of livin'  
From this life I've led  
All the love you're givin'  
Just knocks me dead

Come on firmly and kill me  
Flip me to the sky  
Your kisses kill me  
What a way to die

[BRIDGE]

Well you changed my way of livin'  
From this life I've led  
Baby all the love you're givin'  
Just knocks me dead

Come on firmly and kill me  
Flip me to the sky  
Your kisses kill me  
What a way to die

Hey kiss me!  
What a way to die!
