

# Don't Lie To Me

Eye Empire

Haunting me in a daydream sleep,  
I find myself walking alone.  
As I breathe a fire burns through my lungs, so cold.  
As it burns I just sing along a sad song, humming off key.  
Killing all the cares in me, forgotten, unknown.  
Hello my friend, I see we meet again...

Don't lie to me.  
I just need to feel the pain of the truth.  
Don't lie to me.  
There's a time to know your answers, I feel I'm overdue.  
I just wanted the truth, we'll be done, we'll be through.  
Don't lie to me.  
Lie to me.

In my shallow heart I can truly see through windows of gold.  
Falling free from sanity, we hang from our ropes.  
There's still time we can change our minds,  
and realize the truth.  
Hello my friend, I see we meet again...

Don't lie to me.  
I just need to feel the pain of the truth.  
Don't lie to me.  
There's a time to know your answers, I feel I'm overdue.  
I just wanted the truth, we'll be done, we'll be through.  
Don't lie to me.

Don't lie to me.  
I just need to feel the pain of the truth.  
Don't lie to me.  
There's a time to know your answers, I feel I'm overdue.  
I just wanted the truth, we'll be done, we'll be through.  
Don't lie to me.  
Lie to me.
