

Inside The Light

Eye Empire

There comes a time where we have to let it go.
Quit looking for the one to blame,
it's just the nature of the game.
There comes a time where we have to stand alone.
Been feeding on the lies so long,
how could the weak become so strong?

Time... You must choose forgiveness.
Time... Let it go.
Time... To release what is in us.
Clear our distorted minds.

We're not left with many choices.
Always remember...
There's a feeling so right it's beyond the senses.
Always remember...
If the time is right you can live without the darkness,
your dreams are endless.
Leave your fears behind.
Inside the light.

There comes a time while we're looking for a sign.
We'll find our view is ignorant,
that maybe it's not heaven sent.
There comes a time we must challenge what is true.
Open up our mind to thought,
be open to a different view.

Time... We will all bear witness.
Time... To let it go.
Time... To release what is in us.
Clear our distorted minds.

We're not left with many choices.

Always remember...
There's a feeling so right it's beyond the senses.
Always remember...
If the time is right you can live without the darkness,
your dreams are endless.
Leave your fears behind.
Inside the light.

The chosen one lies in you.
The only one who is able to turn the ...

Always remember...
There's a feeling so right it's beyond the senses.
Always remember...
If the time is right you can live without the darkness,
your dreams are endless.
Leave your fears behind.
Inside the light.
