

# Lost and Forgotten

## Eyes Set to Kill

We are the scum of the Earth  
The voice in the crowd  
Of a thousand mouths  
The ones who fight on  
Because we always fight on  
Oh, we'll never back down

Will I ever be the man?  
They never expected of me  
Will I lose myself in this  
I am not free, we are not free

We are not free,  
We will be lost and forgotten  
Lose myself in this  
We are buried under the ashes we warred in  
When will we be free?  
So lost and forgotten  
So lost and forgotten

Just a couple steps closer  
It's only getting harder  
With every inch I know that you wonder  
If in the end,  
All the pain has made you stronger

Will I ever be the man?  
I am not free, we will never be free

We are not free,  
We will be lost and forgotten  
Lose myself in this  
We are buried under the ashes we warred in  
When will we be free?  
So lost and forgotten  
So lost and forgotten

We're lost and forgotten  
We are not free,  
We will be lost and forgotten

The voice of a thousand mouths  
We are not free,  
We will be lost and forgotten  
We are buried under the ashes we warred in  
So lost and forgotten  
When will we be free?  
So lost and forgotten

We are the, we are the scum of the earth
