

## Pure White Lace

## Eyes Set to Kill

Always forgive  
Never forget  
It's just like me to pretend  
And give into her every need  
Showing no signs of defeat

Thirsting for you  
Thirsting for the tears you cry  
Waiting for you  
Waiting for your pleading cries  
Don't be blinded by her  
Don't be blinded; its disguise  
Don't be blinded by her eyes

Skin so soft and pure white lace  
Beauty takes control of you  
Don't be blinded by her eyes  
Don't be blinded it's disguise  
She'll suck every inch of life from deep inside of you  
Her burning passion for hate takes control of you

Every inch of light from deep inside  
My only regret lies in all the nights  
Spine removed from back  
Faced down on the floor  
I offered her my heart  
But still she wanted more

Skin so soft  
Beauty is only skin deep  
Pure white lace  
Is enough to cut through  
Exposing what's beneath

Thirsting for the tears you cry at night  
For something  
For something to satisfy her life  
She's waiting  
Thirsting for the tears you cry at night  
She's waiting  
For something more to come
