

He Knows the Drill

f.k.ü.

Apartment complex under siege
Hot young tenants living in fear
A masked maniac on a killing spree
Beware of his home improvement gear

Drill! He knows the drill
There's oceans of blood to spill
Kill! He needs to kill

It's shredding time!

The ski-masked sadist's on his way
The hack 'n slash handyman
Pure evil, here to slay
Crush and maim whenever he can

Drill! He knows the drill
There's oceans of blood to spill
Kill! He needs to kill

Some shredding to be done!

He's a son of a nail-gun
He knows his way around
The second floor apartments
His favorite hunting ground

Drill! He knows the drill
There's oceans of blood to spill
Kill! He needs to kill

Some shredding to be done!
