

Michael Myers Costume Party

f.k.ü.

Escaped again, on the loose
Out to have some fun
He invites you all to a Halloween party
Boy, you'd better run
The food is great and the drinks are strong
The stereo is playing F.K.Ü.!!!
What you don't know, is you should go
Cause he's gonna kill you

[Chorus]

Michael Myers, TRICK OR TREAT!
At his party there's a lot to eat
Michael Myers, TRICK OR TREAT!
At his house there's a lot of meat
Dr. Loomis will loose again
There's no way to stop The Shape
Samhain made, made him strong
There's no way in hell he's wrong
Behind the mask a sad little boy
His name is Michael Myers
That big old knife is his favourite toy
Slice that pumpkin, slice that man

[Chorus]

[Lead Pete]

[Chorus]

Trick or treat!
Trick or treat!
Trick or treat!
Trick or treat!
