## **Final Bullet**

## F-Minus

blindness is stupidity. can't you see the fate. you caused yo urself is blasphemy. repulsed nu being alone. can't stand you rself. cover your eyes there's no place to hid. no salvation. no reason for hesitation. you're cure. decide to die. wait ing for the final bullet. no time, just crime. you blame them . convicted by the conspiracy to commit. your life rut got yo u down. no salvation. no reason for hesitation. you're cure. decide to die. no law, no order, no truth, just slaughter.
