

Dead Eyes Mirror

F.O.B.

for whole lifetime
till the end
essence comes, worse waiting cannot be
...cannot be
we who were fallen
away from this ground
not ready for next step
fallen right ones...
right in fire meltdown
thousands of emotions
mix of stones and milk
relax and just feel
dead eyes mirror
dead eyes mirror never sleeps
dead eyes mirror
dead eyes mirror never sleeps
dead eyes mirror
dead eyes mirror
dead eyes mirror
never seem to
dead eyes mirror
dead eyes mirror
never seem to be
we who were fallen
stay back from fire
we who were fallen
away from this ground
not ready for next step
fallen right ones...
right in fire meltdown
thousands of emotions
mix of stones and milk
relax and just feel
and feel
relax and feel
fuck
dead eyes mirror
dead eyes mirror
dead eyes mirror
never seem to
dead eyes mirror
dead eyes mirror
