

Evil Eye

F.O.B.

Holy soldiers fighting well
all their souls are sent do hell
Light is shining, atoms fly
People are burning, time to die

REF: Dëad am I
sadly tier
evil eye
it is so real

Lead is flying, mutants run
Death everywhere, really fun
Blood is flooding, teared up vain
Mind are insane by the pain

REF:.....

Guns are shooting, bloody rain
Killer's instinct, evil grain
Storm keeps moving, god is sad
Under despair, hearts go mad
