

## Hypocrisy Morgoth's Net Of Lies

F.O.B.

Set free from fetters, but black stain,  
stain still remaining, remaining in heart  
Hate hidden behind, behind the mask,  
mask is a prison, secret trap  
He used to be a god, now is a renegade,  
wanted everything only for himself  
Put lies among, among the words

Hypocrisy, Morgoth's net of lies, Hypocrisy, ... ..

You can not see them, see them now,  
now you have to read, read between lines  
Caught in the net, net of lies,  
blind want to get, what they have lost  
He used to be a god, now is a renegade,  
wanted everythin only for himself  
Put lies among, among the words

Hypocrisy ... ..

Morgoth's net of lies, caught like a ly,  
everybody have to die, meet in mandos halls  
Like a blindman, feel the way,  
quick oath is like, like a jump  
To the abbys, son realize,  
bitter taste, of drunk wine  
He used to be a god, ... ..

Morgoth's net of lies ... ..

Hypocrisy ... ..
