

## Last And Alone

**F.O.B.**

The dark river in kingdom of evil  
you will never walk around its banks  
you will never find peace of mind.

You must fight for your soul  
no beseech pray and believe  
You're last and alone  
who survived the suffering.

ref: Danger of the darkness. You must fighting now  
Danger of the darkness. There's no return.
