

Shape Edge

F.O.B.

rolling soldiers passing you
getting small hits.
rises and falls
forcing you senselessly thinking.
bulb already crashed
lightless deadend
dancing on its dice
defeating the maze of haze
shape edge all the time.
shape edge every night.
shape edge rips the rest
better feeling hard to find
shape edge ruins the rest
small hits also kill.
shape edge all the time.
shape edge every night.
shape edge, easy to fall
passing the point of no return
pack of slushy feelings
beating up your averageness.
averageness.
bulb already crashed
lightless deadend
dancing on its dice
defeating the maze of haze
shape edge all the time.
shape edge every night.
every night
all human die
bulb already crashed
lightless deadend
dancing on its dice
defeating the maze of haze.
the maze of haze.
defeating the maze of haze.
