F.O.B.

years of degradation,  
taught you  
what you have to feel.  
anger, shame, hate,  
disgrace rising inside you.  
equality is the obligation,  
this is the obligation that I  
feel!  
thanks to fortune,  
everything ends. Ends!  
tons of heroes dancing,  
of enemies faces.  
gray smudge puddles.  
equality is the obligation,  
this is the obligation that I feel!  
I feel! obligation!  
I feel! obligation!  
gave you great,  
satisfaction,  
honest, any rumour

ready for  
execution,  
just beacause  
obligation.  
obligation!  
lot of reasons

equality is the obligation  
and that's why you fall.  
equality is the obligation,  
this is the obligation that I feel
