

The one

F.T Island

As long as I'm with you
I can't go wrong
Oh baby what you do to me?
You're the one

I've been trying to see you
For such a long long time
Maybe I'm just sad to face that I
Went out of line
When it comes to loving you
All the things that I would do

Been waiting for this day for far too long
I never could imagine it so strong
As long as I'm with you, I can't go wrong
Oh baby what you do to me?
You're the one

How I try to reach you
Oh In everyway I can
But it's hard to find a way to show
That I'm your man

When it comes to loving you
All the things that I would do

Been waiting for this day for far too long
I never could imagine it so strong
As long as I'm with you, I can't go wrong
Oh baby what you do to me?
You're the one

When it comes to loving you
All the things that I would do
Oh yeah

Been waiting for this day for far too long
I never could imagine it so strong
As long as I'm with you, I can't go wrong
Oh baby what you do to me?
You're the one

Been waiting for this day for far too long
I never could imagine it so strong
As long as I'm with you, I can't go wrong
Oh baby what you do to me?
You're the one

Oh baby what you do to me
You're the One
