

Bye Baby Bye Bye

Fabrizio Faniello

I remember your words the day we met
That you never would hurt me
Is what you said

You made me feel I could fly
You were the one
Now somebody tell me why
If that was a lie, why should I even try
To go on

Bye baby bye bye, I'm leaving you
Your love is a lie, I need the truth
Bye baby bye bye, I'm over you
Bye baby bye bye

Yeah you promised to hold me every day
But the nights just grew longer
And you weren't there

And so I made up my mind
I'm getting out
I'll be better off in time
I'm aiming high, I won't cry, no more lies
To go on

Bye baby bye bye, I'm leaving you
Your love is a lie, I need the truth
Bye baby bye bye, I'm over you
I'm leaving tonight

Bye baby bye bye, I'm leaving you
Your love is a lie, and that's the truth
Bye baby bye bye, I'm over you
Bye baby bye bye

I see us facing the end
Now no more lies and pretence
The sun is rising again

Bye baby bye bye, I'm leaving you
Your love is a lie, I need the truth
Bye baby bye bye, I'm over you
I'm leaving tonight

Bye baby bye bye, I'm leaving you
Your love is a lie, and that's the truth
Bye baby bye bye, I'm over you
Bye baby bye bye

Bye baby bye bye

Bye baby bye bye

Bye baby bye bye
