

# I Do

Fabrizio Faniello

Cause I do I do I do  
I do I do I love you like a fool

I've been there by your side  
We've been laughing we have cried  
kept the piece of heart you gave  
from our break up-day  
you left me, still I know  
you didn't have a choice  
waiting for the day we're back together

I won't give you up, I'll never stop  
I got a piece of your heart  
I can't get enough  
cause I do I do I do I do I do I love you like a fool  
Our lives were torn apart  
I know we'll get a brand new start  
when the world just can't decide  
where we lay our love  
we've done our time alone  
and never will again  
waiting for the day we're back together

I won't give you up, I'll never stop  
I got a piece of your heart  
I can't get enough  
cause I do I do I do  
I do I do I need you  
I won't give you up, I'll never stop  
I got a piece of your heart  
I can't get enough  
cause I do I do I do  
I do I do I love you like a fool

Waiting for the day  
when I hear you say  
our love is here to stay

I won't give you up, I'll never stop  
I got a piece of your heart  
I can't get enough  
cause I do I do I do  
I do I do I need you  
I won't give you up, I'll never stop  
I got a piece of your heart  
I can't get enough  
cause I do I do I do  
I do I do I love you like a fool
