

I Do

Fabrizio Faniello

Cause I do I do I do
I do I do I love you like a fool

I've been there by your side
We've been laughing we have cried
kept the piece of heart you gave
from our break up-day
you left me, still I know
you didn't have a choice
waiting for the day we're back together

I won't give you up, I'll never stop
I got a piece of your heart
I can't get enough
cause I do I do I do I do I do I love you like a fool
Our lives were torn apart
I know we'll get a brand new start
when the world just can't decide
where we lay our love
we've done our time alone
and never will again
waiting for the day we're back together

I won't give you up, I'll never stop
I got a piece of your heart
I can't get enough
cause I do I do I do
I do I do I need you
I won't give you up, I'll never stop
I got a piece of your heart
I can't get enough
cause I do I do I do
I do I do I love you like a fool

Waiting for the day
when I hear you say
our love is here to stay

I won't give you up, I'll never stop
I got a piece of your heart
I can't get enough
cause I do I do I do
I do I do I need you
I won't give you up, I'll never stop
I got a piece of your heart
I can't get enough
cause I do I do I do
I do I do I love you like a fool
