

You think that I'm invincible, it's going to pull me down  
You think that I'm invisible, it's going to pull me down  
It's somewhere I don't want to go, it's okay

You think I'm indestructible, it's going to pull me down  
You think that I'm a miracle, it's going to pull me down  
To somewhere I don't want to go, it's okay

I don't know what you want from me  
But it's probably already gone  
I don't care what you think of me  
Your opinion means nothing at all

Don't say I'm okay, I'm not okay  
Don't say I'm not trying, trying to do what's right  
Now it's time to walk away

I don't know what you want from me  
But it's probably already gone  
I don't care what you think of me  
Your opinion means nothing at all

Don't say I'm okay, I'm not okay
