

In Between Days

Face to Face

Yesterday I got so old
I felt like I would die
Yesterday I got so old
It made me want to cry

Go on, go on, just walk away
Go on, go on, your choice is made
Go on, go on and disappear
Go on, go on, away from here

And I know I was wrong
When I said it was true
That it couldn't be me and be her
In between without you, without you

Yesterday I got so scared
I shivered like a child
Yesterday away from you
It froze me deep inside

Come back, come back, don't walk away
Come back, come back, come back this day
Come back, come back, why can't you see
Come back, come back, come back to me

Girl, I know I was wrong
When I said it was true
That it couldn't be me and be her
In between without you, without you
Without you, without you

Without you, without you
Without you, without you
