

Ordinary

Face to Face

Now you've made it up
It's all inside your mind
Now you've given up
You don't know what's there if you don't try
So you've given in along with all your friends
And you're still alone
The means don't always justify the end

Ordinary, ordinary
A look in the mirror is not enough
What makes you think that you're not one of us?

If you make it up and start to use your mind
It isn't difficult
You don't know what's there if you don't try
