

Overcome

Face to Face

fake, even when you're sure this time it's real pain, isn't just defined by what you feel it isn't so wrong to be where you're from the image of what you are can be overcome angst, you'd cut out your heart to spite your mind stay, even if it's just a waste of time it isn't so wrong to be where you're from the image of what you are can be overcome i let my guard down
