

Pathetic

Face to Face

It feels like there's nothing I can do
It feels like there's nothing left to do
Always feels like I must
Wait
Just a while
Because "anything worth having is worth the wait"
So it seems
That this waiting's left us somewhere in-between
It feels like there's nothing I can do
It feels like there's nothing left to do
Blind ambition is overrated
Apathetic bored and jaded now
You forget something
I wanted to be left alone
