## **Pathetic**

**Face to Face** 

It feels like there's nothing I can do It feels like there's nothing left to do Always feels like I must Wait Just a while Because "anything worth having is worth the wait" So it seems That this waiting's left us somewhere in-between It feels like there's nothing I can do It feels like there's nothing left to do Blind ambition is overrated Apathetic bored and jaded now You forget something I wanted to be left alone
