Cursed

Facebreaker

I rose from chaos I rose from carnage On rage and fury,I stand tall I'm on the right track I'm on the attack! In my world of hate I'll take you down

They say, I'm evil They say, I'm cursed I am the reaper This is my revenge

Evil they call me, but I am true, My instincts are pure and I'll follow Them through...

This night you'll suffer This night you'll beg This night you will come crawling Back, praying for it all to end I'll make you cry I'll make you scream I'll make you pay the price, forever Burn in hell

They say, I'm evil They say, I'm cursed I am the reaper This is my revenge

Evil they call me, but I am true, my instinct are pure Evil they call me, but I am true, my instinct are pure
