The Awakening

Facebreaker

a hopeless end, the dark closes in fower from hell, the dead will return the gates are open, a final assault demons arise, the mortals will burn hounds of hell, an army of doom no mercy shown, a pure killing spree pitch black eyes, in search for your flesh unholy butchers, pure evil will set me free

the awakening of the dead the awakening of the dead

an endless night, the end of our world there is no future, all will be dead human flesh, torn apart satanic slaughters, in rivers of red the end is here, it's time to die guts and gore, torture and pain blood will ber spilled, skulls will be crushed bloodthirsty zombies, will feed on your brain

rising from the darkness, legions of the dead rotten human bodies, wating to get fed

the awakening of the dead the awakening of the dead

they rise!
