

## I'd Rather Go Blind

Faces

Something told me it was over  
When I saw you and him talking  
Something deep down in my soul said, cry boy  
When I saw you and him out walking  
I would rather, I would rather go blind girl  
Than to see you walk away from me child

So you see I love you so much  
I don't want to see you leave me baby  
Most of all I just don't, I just don't want to be free  
I was just, I was just sitting here thinking  
Of your kiss and your warm embrace child  
When the reflection in the glass  
That I been held to my lips now baby  
Revealed the tears I had on my face  
I would rather, I would rather be blind child  
Than to see you walk away from me  
Baby, baby, baby I would rather go blind  
Than to see you walk away from me
